Dear Sir or Madam:

Enclosed is a General Claim Information Form for you to complete and return to us. Please note this form is for Auto and Property Damage claims. Please complete those sections that apply to your claim and disregard anything that does not apply. **Date of Birth and Social Security Number** must be completed for all claims.

If you are covered under a homeowners' liability insurance policy or automobile liability insurance policy, you must notify your primary insurance company of this occurrence. According to the Governmental Immunity Tort Act, recovery on a claim against the City of Philadelphia is limited to the amount of an uninsured loss where the City of Philadelphia holds liability. The Governmental Immunity Tort Act does not permit an insurance company to bring a subrogation action against the City of Philadelphia.

Be advised that under the Governmental Immunity Tort Act, the City of Philadelphia must have written notice of your claim within six months of the date of loss. Also, the statute of limitation in the state of Pennsylvania is two years from the date of loss, which means your claim must be filed within two years or you are barred from recovery. Please note that the statute of limitation in the state of Pennsylvania for minors is two years from the date of their eighteenth birthday. To extend the statute you must file a Cause of Action within the two-year period.

Once we receive your General Claim Information Form, your case will be assigned to an adjuster who will contact you to discuss your claim. The turnaround time depends on our volume. All documents requested on the form must be sent to us with your completed claims form.

Sincerely,

Philadelphia Water Department/Risk Management Division - Claims Unit
